

Underground Residential Service

Utility Network Detailed Model

Key

- Electric Line
 - Medium Voltage Conductor
 - Underground Single Phase
- Structure Line
 - Electric Trench
 - Trench
- Electric Device
 - Medium Voltage Transformer
 - Pad Mounted Single Phase Transformer with High and Low terminals
- Electric Device
 - Medium Voltage Elbow
 - Single Phase Load Break
- Electric Device
 - Low Voltage Service
 - Single Phase Residential
- Structure Junction
 - Electric Pedestal
 - Pedestal
- Structure Junction
 - Electric Pad
 - Pad
- Electric Assembly
 - Medium Voltage Transformer Bank
 - Pad Mounted Single Phase Transformer
- Containment association
- Connectivity association
- Structural attachment association
