

# Overhead Three Phase Fault Indicator

## Utility Network Detailed Model

### Key

- Electric Line
  - Medium Voltage Conductor
  - Overhead Single Phase
- Electric Junction
  - Medium Voltage Attachment
  - Overhead
- Electric Device
  - Medium Voltage Line Monitor and Relay
  - Fault Indicator
- Structure Junction
  - Electric Medium Voltage Pole
  - Single Pole
- Structural attachment association
- Electric Assembly
  - Medium Voltage Line Monitor and Relay
  - Fault Indicator
