

Overhead Three Phase Fused Tap

Utility Network Detailed Model

Key

- Electric Line
 - Medium Voltage Conductor
 - Overhead Single Phase
- Electric Junction
 - Medium Voltage Line End
 - Overhead Line End
- Electric Junction
 - Medium Voltage Connection Point
 - Overhead Tap
- Electric Junction
 - Medium Voltage Attachment
 - Overhead
- Electric Device
 - Medium Voltage Arrester
 - Line Arrester
- Electric Device
 - Medium Voltage Fuse
 - Overhead Cutout Fused Disconnect
- Structure Junction
 - Electric Medium Voltage Pole
 - Single Pole
- Electric Assembly
 - Medium Voltage Fuse Bank
 - Overhead Disconnect
- Containment association
- Connectivity association
- Structural attachment association
