

Substation Double Bus Double Breaker Scheme

Utility Network Detailed Model

Key

- Electric Line
 - Medium Voltage Busbar
 - Station Three Phase
- Electric Line
 - Medium Voltage Conductor
 - Overhead Three Phase
- Electric Device
 - Medium Voltage Circuit Breaker
 - Three Phase Circuit Breaker with Source and Load terminals
- Electric Device
 - Medium Voltage Switch
 - Overhead Three Phase Disconnect
- Electric Junction
 - Medium Voltage Connection Point
 - Busbar Tap
- Electric Junction
 - Medium Voltage Line End
 - Overhead Tap
- Connectivity association
