

# Poles Supporting Two Distribution Circuits

## Utility Network Detailed Model

Key

Utility Network feature class

└─ Asset Group (subtype)

└─ Asset Type

Electric Line

└─ Medium Voltage Conductor

└─ Overhead (Single, Two or Three) Phase

At

Electric Junction

└─ Medium Voltage Attachment

└─ Overhead

Po

Structure Junction

└─ Electric Medium Voltage Pole

└─ Single Pole

→

Structural attachment association
