

# Pad mounted three phase junction box

## Utility Network Detailed Model

Key		Utility Network feature class
		Asset Group (subtype)
		Asset Type
		Electric Line
		Medium Voltage Conductor
		Overhead Three Phase
		Electric Device
		Medium Voltage Elbow
		Single Phase Load Break
		Electric Device
		Medium Voltage Elbow
		Load Break Feedthru
		Electric Junction
		Connection Point
		Overhead Tap
		Electric Junction
		Medium Voltage Attachment
		Overhead
		Electric Junction
		Low Voltage Line End
		Overhead Three Phase Line End
		Structure Junction
		Electric Pad
		Pad
		Structure Junction
		Electric Junction Box
		Junction Box
		Containment association
		Connectivity association
		Structural attachment association
