

Overhead Bidirectional Three Phase Recloser

Utility Network Detailed Model

Key

- Electric Line
 - Medium Voltage Conductor
 - Overhead Three Phase
- Electric Device
 - Medium Voltage Transformer
 - Overhead Single Phase with High and Low terminals
- Electric Device
 - Medium Voltage Switch
 - Overhead Single Phase Recloser with Source and Load terminals
- Electric Device
 - Medium Voltage Controller
 - Recloser
- Electric Device
 - Medium Voltage Arrester
 - Line Arrester
- Electric Junction
 - Medium Voltage Connection Point
 - Overhead Tap
- Electric Junction
 - Medium Voltage Line End
 - Overhead Line End
- Structure Junction
 - Medium Voltage Pole
 - Single Pole
- Electric Assembly
 - Medium Voltage Switch Bank
 - Overhead Recloser
- Containment association
- Connectivity association
- Structural attachment association
