

Overhead Two Phase Unfused Riser

Utility Network Detailed Model

Key		Utility Network feature class
		└ Asset Group (subtype)
		└ Asset Type
		Electric Line
		└ Medium Voltage Conductor
		└ Overhead Three Phase
		Electric Line
		└ Low Voltage Conductor
		└ Underground
		Structure Line
		└ Electric Low Voltage Conduit
		└ Conduit
		Electric Junction
		└ Medium Voltage Connection Point
		└ Overhead Tap
		Electric Junction
		└ Medium Voltage Attachment
		└ Overhead
		Electric Junction
		└ Medium Voltage Line End
		└ Riser
		Structure Point
		└ Electric Medium Voltage Pole
		└ Single Pole
		Connectivity association
		Structural attachment association
