Pad Mounted Three Phase Transformer with Automatic Throwover Switch

Utility Network Detailed Model

Utility Network feature class

└ Asset Group (subtype)

└ Asset Type

Medium Voltage Conductor

☐ Underground Single Phase

Low Voltage Conductor
Underground

Electric Device

Medium Voltage Switch

└ Source Selectable Switch

Electric Device

Low Voltage Service

☐ Single Phase Residential

Electric Device

Medium Voltage Transformer

└ Pad Mounted Single Phase with High and Low terminals

Electric Junction

└ Medium Voltage Line End

☐ Underground Terminator

Structure Point

Electric Medium Pedestal

└ Pedestal

Structure Junction

- Electric Pad

└Pad

Electric Assembly

Medium Voltage Transformer Bank

Pad Mounted Single Phase

Containment association

Connectivity association

Structural attachment association
